HD CCTV Holiday Hamper, *(limited stock)*

Are you struggling to find the perfect gift for someone who seems to have it all? Look no further! Whether it's added security for a van, workshop, or shed, our CCTV Xmas Hamper has got you covered. For just £299.99, you can give the gift of peace of mind with our HD 2 x 5MP Camera CCTV DIY System, all beautifully presented in a charming hamper basket. It's the thoughtful and practical present that keeps on giving!

System includes:

* 1 x 5MP **4Ch** HD Recorder with AI functions
1 x 1TB HDD, (*Storage*)
1 x 2M HDMI & LAN cable (*for TV & Router*)
** **2** x HD, (5MP) cameras with audio
2 x 30Mt, (100ft) Pre-made camera cables
1 x 5amp PSU, (Po*wer supply for cameras*)
*** 1 x Wicker Hamper basket
1 x 1Hr Training session at our showroom, (worth £57.00)

This system is designed to dispatch notifications directly to a mobile device upon detection of specified targets, which include both human beings and vehicles. Such notifications shall be facilitated in real time, aiming to bolster security and provide instant updates to the user for timely intervention and decision-making, thereby enhancing operational efficiency and safety measures.

All this for just £299.99, *(price includes VAT)*

We also offer the setup of your recorder at no extra charge, ensuring it is configured with any passwords and ready for internet connectivity right out of the box. Moreover, we provide a complimentary one-hour training session, (book online) at our showroom to help familiarise you with the product.

Also available
